SOY &
SALSA

A JOURNEY OF FLAVOURS

At Soy & Salsa, food is meant to be enjoyed slowly, shared freely and remembered long after the last bite.

Inspired by the bold and diverse flavours of Asia, our menu brings together familiar favourites and new flavours, with a little something for every palate. We believe the best meals are the ones that bring people together around a table, over good food and easy conversations.

We hope you find something you love, and leave with a reason to come back.
